Readers "International range" Cricket Trousers

You might not know, but Julie insisted on looking at masses of pairs of cricket trousers before she finally settled on us keeping these "International" range trousers as part of our range.

These Readers International Cricket Trousers:

- Are made of decent thickness of fabric which is **NOT "see through"** – which we think is really rather important!
- Have an elasticated waistband, AND an internal tie cord tie for a perfect fit.
- Have zip fly front
- Have a buttoned back pocket, AND 2 front pockets.

All sizes of trousers are supplied un-hemmed, so you can either fix up your hem up to the right length with the bond-a-web supplied (which you just iron into place), or you can sew a hem if you prefer.

We keep these in stock all year round in 4 sizes:

• Large Boy/Girl	to fit 26/27" waist (will stretch out up to 30")	RRP £15.30	Our price: £14.50
• Youths /Older Girls	to fit 28/29" waist (will stretch out up to 32")	RRP £15.30	Our price: £14.50
• Small Adult	to fit 30/32" waist (will stretch out up to 34")	RRP £18.00	Our price: £14.50
• Medium Adult	to fit 33/34" waist (will stretch out up to 36")	RRP £18.00	Our price: £14.50

Cricket shirts

In the past we have kept cricket shirts in stock, and those who have bought them from us have been really pleased with them. However, our cricket shirts have never been inexpensive - simply because they've been such good quality.

We're realistic enough to know that we can't compete with all the places you can buy Cricket shirts from (many of whom have them manufactured in China) - so we are no longer keeping our cricket shirts in stock all year round.

However, if you ever decide that you do want a really good quality cricket shirt (or a set of them), then please do ask us for a quote.....because we can get shirts which really are excellent quality – and we can also put you into contact with a local embroidery & screen printing business which can then add logos etc for you as required.

Please ask for more info if you need it.
